This topographic map depicts the Mount Bold Reservoir Reserve and surrounding areas. Key features include:

- Geographical Features:** Mount Bold Reservoir Reserve, Scott Creek, Dorset Vale, and the Thorley River.
- Roads:** Thorley Rd, Scott Bottom Rd, Dorset Vale Rd, and various local roads like Maher Rd and Lewis St.
- Infrastructure:** A substation and a tower are marked near the center of the map.
- Landmarks:** Old Almanda Mine, Pangkallia, and various hills and valleys.
- Path:** A blue line traces a path through the reserve, starting from the bottom left and moving towards the top right.
- Markings:** A red circle is located in the upper left quadrant, and a red circle with a checkered flag is in the lower right quadrant.
- Topography:** Contour lines indicate elevation, with peaks reaching up to 368 meters.
